

I'll be there for you - The Rembrandts
SOPRANO

So no one told you life was gonna be this way
Your job's a joke, you're broke
Your love life's D.O.A
It's like you're always stuck in second gear
When it hasn't been your day, your week, your
month
Or even your year, but

Refrain :
I'll be there for you (x2)
I'll be there for you ouh.....

You're still in bed at ten
And work began at eight
You've burned your breakfast, so far
Things are going great
Your mother warned you there'd be days like these
But she didn't tell you when the world has brought
You down to your knees that

Refrain + OUH_____

No one could ever know me
No one could ever see me
Sometimes the only one who knows
What it's like to be me
Someone to face the day with
Make it through all the mess with
Someone I'll always laugh with
Even the worst, I'm best with you, yeah

It's like you're always stuck in second gear
When it hasn't been your day, your week, your
month
Or even your year but
